

LAND OF LINCOLN SOIL SAVERS

1650 5th STREET RD. – LINCOLN, IL 62656
Phone: 217-735-5508, Ext. 3

February 2, 2018

To Land of Lincoln Soil Saver Club Members:

The Land of Lincoln Soil Savers Committee is planning an evening dinner meeting. We have scheduled the meeting for Tuesday, February 20, 2018 at 6:00PM.

The meeting will be at the American Legion in **Mt. Pulaski**. Cost of the dinner will be \$11.00 per member (2018 member and sponsor dues must accompany the reservation). Cost for non-members is \$14.00. Anyone wishing to become a member of the Club may pay 2018 dues of \$10.00 per family (family being spouse and kids under the age of 18) and \$10.00 per meal. **Reservations are very important in planning these meetings to ensure we have enough food for everyone. Deadline for reservations is February 12, 2018! Mike Richner will cater the meal.**

Speaker for the evening will be **Dr. Aaron Hager**, Associate Professor at the University of Illinois. Dr. Hager contributes to increased crop production through development and implementation of integrated weed management programs. His research helps to identify and manage herbicide-resistance in the most aggressive agronomic weeds. The focus of his research program is to develop innovative approaches that ultimately expand our knowledge and understanding of weed biology, with a particular emphasis directed toward addressing the contemporary weed species infesting the major field crops of Illinois. Dr. Hager will be sharing his research and thoughts about current weed problems facing producers.

Please return the attached reservation form with your payment to Logan County SWCD, 1650 5th Street Road, Lincoln, IL 62656 by **February 12, 2018**. Please make checks payable to: Land of Lincoln Soil Savers.

Hopefully, we will see you on Tuesday, February 20th at the **American Legion in Mt. Pulaski**.

Sincerely,

Allen Sasse, President
Land of Lincoln Soil Savers
